At the page of search flight we can see: image of the plane, js files, css files.

Are there any requests going from WebUI to the server?

When we open Flights page, we can see request "flights" going to the server and some files which are requested from the server

Flight										Available	
ID	Number	From	To	Departure	Arrival	Gate	Status	Flight Charge	Aircraft	Seats	
1	ZY-8171	string	Gladys Eeya	2022-09-25 Sun Sep 25 00:22:33 UTC 2022	2022-09-26 Sun Sep 25 01:26:09 UTC 2022			746.8465246989646	II-2	-5/1	Cancel

● ***Grab the traffic using a proxy server. Describe what you did and did you find any issues.**

If we use Postman as a proxy server we need to choose requests that we need. For example with "192" to see our requests to FTB app.

When we try to search a flight at the Flight search page . We see one request :

192
